

# Stack 3 for Free Fall Clean Up Day for Residents

The City of Green Forest and the Carroll County Solid Waste District will be by to pick up unwanted bulky waste, scrap metal items and yard waste on Saturday, October 7th. We'll be there early, so get started Friday, and have items out by 6:00 AM Saturday Morning. *Items set out after 7:00 AM will not be picked up and residents will be responsible to remove and dispose of them at their own expense. Residents of Green Forest ONLY—No Commercial or Agricultural.*

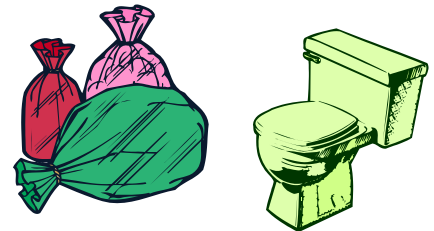

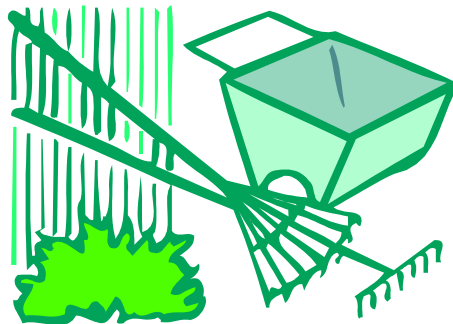

To keep the program going, help us by separating your waste into three (3) piles:

**MAKE THREE  
DIFFERENT  
PILES!**

**SCRAP METAL \***  
(Steel and other metal is recycled into new products)

\* Scrap items containing Freon (fridges, air conditioners, etc., must have a tag showing that Freon has been properly recovered by a licensed heat and air service).

**YARD WASTE**  
(This is ground into small pieces for kiln fuel)

**OTHER BULKY WASTE**

**More Details on the Back!**

**Carroll County  
Solid Waste District**

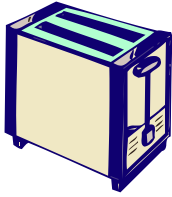

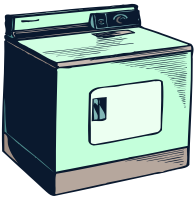

870 423-7156 or 479 253-2727

## Waste Accepted
